Dear Community Member:

Artists Unlimited, Inc. is a local charitable organization that provides children and adults having special needs with the opportunity to perform in Broadway musical theater productions. We have been producing these musicals for the past 7 years with great results. Most recently we presented "Wizard of Oz" to over 1300 patrons.

These productions, made possible because of the support of many Rochester individuals, organizations and businesses, have provided great family entertainment as well as life changing experiences for our cast members. The joy on our actors' faces when they participate is obvious to all.

Artists Unlimited, Inc. is proud to announce that "Cinderella" will be staged at the Historic German House at 315 Gregory Street on November 6th, 7th, 8th, 12th, 13th and 14th, 2009.

We ask you to consider supporting this effort through either your tax deductible sponsorship or program advertising. Our professionally produced program will be given to every attendee and participant at the event. The attached page describes the options that are available to you and your organization. Our board of directors, volunteers and cast members will be most thankful and grateful for your support.

Please feel free to contact me at 585-219-5188 for additional information or with any questions.

Thank you for your consideration,

Sincerely,

Stephen Pasquarella, President
Artists Unlimited, Inc. Board of Directors
